MARCA
: Custom Crimp

MODELO
: CC150MOB-230/1

The electrical Custom Crimp CC150MOB series hose crimper with the dial metric micrometer and 240 tons of crimping force has the capacity to crimp 1-1/4" multi spiral hydraulic hose and 2" industrial hose. It is perfect for workshops and on-site services.
Quick change die tooling is included and the easy to read micrometer makes consecutive crimping fast and precise.

Features:
Compact Engineered Design: Small footprint for minimum use of space.
Easy Grease Maintenance: Easy access grease fittings and easily replaceable foam pads.
Save Time: Manual back stop for multiple crimps of the same hose and fitting.
Quick Change Tool: Makes die changes a quick and simple process.
Micrometer Style Adjustment: Provides speed, precision, and repeatability.
Easy Maintenance: The oil level can be checked through the sight glass window and oil can be drained from either of the two ports on the rear of the reservoir.

Notes: Crimper capacity is estimated based on typical 1-piece fitting. Actual results may vary depending on the hose and fitting manufacturer.

Safety notes: WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
