SKU
: 3555

BRAND
: DIXON VALVE

MODEL
: 3090MS

Applications:

Designed specifically for use on tractor mounted air blowers and to replace the multiple pipe connections typically used to connect the blower to a swing check and air relief valve.

Use:

Fastens directly to blower using available TTMA thread adapters

Features:

Manufactured with a 4" TTMA flange connection for fastening directly to the blower

2" NPT port for air relief valve

Construction:

Aluminum body

White silicone spring loaded flapper and security seal

Stainless steel hardware

Silicone lid seal

Compact unit includes high flow swing check, port for air relief valve and inlet / outlet ports

All white silicone seals are compliant with FDA

Safety notes:

WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
