

ADS SPILLGUARD? PROBE

DATE
: 04/15/2026 10:49 AM

SKU
: 6752

BRAND
: DIXON VALVE

MODEL
: A200PCSSDP36A

Applications:
For conductive fluids such as acids and water based mixtures

Features:
1/2" NPT sliding fitting standard, 3/4" fitting optional
Open dome adapter and washout fitting available
Pressure and tilt sensor options
Single electrode protected in housing
Dual electrodes exposed for easy cleaning

Construction:
Probe: 316 stainless, Hastelloy available for HCL service
Housing: NEMA 4X, IP66

Safety notes:
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
