** Some features may vary without prior notice. Sale subject to inventory availability

DATE
: 07/08/2026 01:39 AM

SKU
: 27301

BRAND
: DIXON VALVE

MODEL
: A500

Applications:

Verifies operations of Dixon ADS A100 and A200 series capacitance sensors

Specifications:

Battery Type: 9V of any chemistry

Automatic Power Timeout: 5 minutes

Approximate Battery Life: 15hrs continuous

Note:

Replacement Parts: Storage Case: Dixon 10491, 9V Battery: Dixon 10261

Safety notes:

WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov

TECHNICAL SPECIFICATIONS

Includes	Capacitance tester, Trip window gauge, 9V battery, Carrying case
Factory Part Number	A500
Size	(Case) 9.7" x 10.7" x 4.8"
