SKU
: 23857

BRAND
: DIXON VALVE

MODEL
: DCP144

Compatibility & Interchange Data:

Air chief automotive quick-connect couplers will interchange with the popular makes of automotive quick-connect fittings such as Amflo, Dill, Milton and Trufilate.

Note: There are some makes which do not interchange with any others. If you plan to interchange these couplings, make sure you have plug ends with the proper configuration.

Safety notes:

Operating pressure for couplings utilizing hose barb connections may be dramatically reduced to that of the hose rating and/or hose end connection combination. Consult hose manufacturer's catalog for hose end connection ratings. If in doubt, test under controlled conditions for suitability to application. Dixon cannot assume liability for misapplication of production resulting in equipment down-time, lost production, and/or personal injury including death.
