** Some features may vary without prior notice. Sale subject to inventory availability

DATE

: 06/14/2026 01:13 PM

SKU

: 12248

BRAND

: DIXON VALVE

MODEL

: EZL150-DC-AL

Applications:

Transfer and/or unloading of fuels (gasoline or diesel) from tank truck to storage tanks

Transfer of liquids compatible with the available coupling and gasket materials

Features:

Automatic couplers push-to-connect providing a reliable connection

Low profile allows easy connection and disconnection in tight applications

Coupler push tabs can be locked with safety pins and/or zip tie

Compatible with standard cam and groove adapters

EZLink™ stainless steel tabs are guaranteed for life! Should you ever break one return it to the nearest warehouse for a free replacement.

Construction:

Dust Caps: A356 Aluminum

Dust Cap tabs and springs: 316 stainless steel

Gasket: Buna-N

Safety notes:

Only use EZLink™ gaskets and tabs for this coupling system. Traditional cam & groove handles and gaskets, or other types of seals are not compatible and will fail.

Warning: Failure to follow the recommended procedures may result in serious injury and property damage.

Dust caps and dust plugs are not to be used in pressure applications for safety and environmental reasons.

WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
