

FLEXIBLE HOSE CLAMP DRIVER

DATE
: 07/08/2026 01:52 AM

SKU
: 12464

BRAND
: DIXON VALVE

MODEL
: FHCD

Features:

The flexible shaft and no-slip grip provide 90° access and work best in hard to reach places such as compact car and boat engines, as well as plumbing repair applications. The socket fits mini and standard hose clamp screw heads. Just flip the socket for the desired size of 1/4" or 5/16".

Safety notes:
