DATE

: 04/21/2026 02:54 PM

SKU

: 15668

BRAND

: DIXON VALVE

MODEL

: HTBG24

Use:

Requires high volume coupler and plug for optimum performance

Features:

Heavy duty- high volume

Lightweight and ergonomic

Pistol grip / hanging hook handle

Construction:

Made from high quality aluminum casting

Gun with 24" extension

Note:

Reduced to 30 PSI when tip is blocked

Safety notes:

Safety glasses or shield must be worn when using any blow gun.

Note: The safety air booster blow gun has a safety tip which prevents buildup of tip pressure in the event the outlet obstructed or "dead ended". It complies with the requirements for OSHA 1910.242 (B) and 1910.95 when used on air lines of 150 PSI or less.
