

KING CRIMP® STYLE LARGE SLEEVE

DATE
: 07/10/2026 09:22 AM

SKU
: 25432

BRAND
: DIXON VALVE

MODEL
: S915X600X120CS

Applications:
Recommended for low-pressure discharge and suction service for compatible liquids.

Note:
Consult factory for pressure rating.

Safety notes:
Only use the crimp style shanks with the crimp style sleeves and ferrules. Due to differences in dimensions and tolerances for safety reasons, do not interchange other manufacturer's products with Dixon products.

WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
