FLOMAX FLUSH FACE GREASE COUPLINGS

• Can be connected and disconnected under pressure. An industry first, demonstrating Flomax innovation.
• New patented design uses an internally sealed ball lock mechanism to en-sure trouble free performance even in the most harsh of conditions.
• All Stainless Steel construction ensures long life and repeatable performance.
• Receiver has a built in check valve.
• 1" NPT on both receiver and nozzle for maximum flow and adaptability. Also available in 3/4" BSPP thread
• World Class performance and flow.
• Fail Safe shut off for safety.
• Flush face design helps ensure vehicle and part cleanliness.

Safety notes:
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
